Here's the deal: Hybrid ReVolt (the "Seller"), has successfully developed a Grid Charger for use in charging battery packs employed in hybrid cars, such as the Honda Insight and Toyota Prius. The Seller has determined that there is a market among hybrid owners and mechanics to have access to a Grid Charger as developed by the Seller. Hybrid ReVolt is willing to serve that market, but ONLY under the following terms, conditions and limitations. This Waiver of Liability and Assumption of Risk (the "Waiver Agreement") spells out those terms, conditions and limitations in as clear as possible language and shall become a part of the Hybrid ReVolt Grid Charger that you (the "User") are purchasing or otherwise using. A copy of this Waiver Agreement MUST accompany the Grid Charger and be adopted by the next possessor if the Grid Charger is ever transferred or loaned to another party.

Accessing and connecting a Grid Charger (or any other component) to a high voltage DC battery pack is an inherently dangerous activity for which you assume all risk in the undertaking. We are empowering you to rejuvenate hybrid battery packs by making the Grid Charger available at a reasonable cost. However, we cannot bear the additional expenses associated with potential claims in connection with its use -- thus, the necessity of this Waiver Agreement. Under the terms of this Waiver Agreement, you not only waive any claim against the Seller for any damages incurred or suffered by you as the User, but you also agree to defend, indemnify and hold the Seller harmless from any claim asserted by any third party in connection with the use of the Grid Charger.

As an essential part of the consideration for the sale and use of the Hybrid ReVolt Grid Charger by _____, the "User", for themselves, their executors, heirs, successors, and assigns expressly agrees to the following terms, conditions and limitations:

- 1.0 User expressly releases, discharges, waives and relinquishes any and all actions, claims, or causes of action for injuries or damages to user's or any third party's person or property whether arising as a result of or based on any negligent act or omission of the Seller or otherwise in connection with the design, materials, assembly, structural integrity, performance, instructions for operating, or use, or for operation of the Hybrid ReVolt grid charger or any of its component parts.
- 2.0 User expressly agrees to voluntarily assume all risk of injury, death, or damage to User's or any third party's person or property arising from or in conjunction with the access to a high voltage DC battery pack, preparation, use or operation of the Hybrid ReVolt Grid Charger, or any of its component parts.
- 3.0 User acknowledges that recharging high voltage DC battery packs is an inherently dangerous and hazardous activity, and hereby expressly assumes all risk of injury, death, damage, or loss of any kind occurring while, resulting from or use of Hybrid ReVolt Grid Charger, during preparation for recharging or while relying on the Hybrid ReVolt Grid Charger, or its components, prior, during, or subsequent to the recharging of any high voltage DC battery pack.
- 4.0 User expressly agrees that they shall be barred from asserting claim against or sue the Seller or its principals, employees, or agents for any injuries or damage to persons or property arising in conjunction with the use of or working with the Hybrid ReVolt Grid Charger, or components. Further, User agrees to defend, indemnify, save, and hold harmless the Seller or its principals, employees, or agents for all costs, attorney's fees, judgments, or settlements in any and all actions, claims, or causes of action for injuries or damage to persons or property arising in conjunction with the preparation, use of or working with the Hybrid ReVolt Grid Charger, or components arising from the Seller's negligence or otherwise, wherever and by whomever such action, claim, or cause of action is asserted.
- 5.0 USER EXPRESSLY ACKNOWLEDGES THAT SELLER MAKES THIS SALE OR USE OF THE HYBRID REVOLT GRID CHARGER OR COMPONENTS WITHOUT ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE, AND THAT THE HYBRID REVOLT GRID CHARGER, OR COMPONENTS ARE HEREBY ACCEPTED IN "AS IS" CONDITION BY USER. USER ACKNOWLEDGES AND VOLUNTARILY ACCEPTS SELLER'S DISCLAIMER OF LIABILITY FOR ANY ACTUAL OR CONSEQUENTIAL DAMAGES THAT MAY OCCUR DURING USE OF THE HYBRID REVOLT GRID CHARGER. USER ACKNOWLEDGES THAT UNDER NO CIRCUMSTANCE SHALL SELLER BE LIABLE TO USER FOR MORE THAN THE ORIGINAL PURCHASE PRICE THE USER PAID FOR THE HYBRID REVOLT GRID CHARGER.
- 6.0 Rights to use the Hybrid ReVolt Grid Charger or components are granted by Hybrid ReVolt to User only upon the terms, conditions and limitations expressly provided in this Waiver Agreement.
